

**CLOVER PARK TECHNICAL COLLEGE
POLICY**

CHAPTER	SECTION	TITLE	HISTORY		
			5	6	Multiple Measures
			Revised 2021	N/A	Next review 2023

POLICY

Clover Park Technical College assesses prospective students' skills using multiple measures prior to registering for academic class and some career training programs. These measures are used to place students in appropriate academic and program courses.

Multiple measures for placement include, but are not limited to the Accuplacer Assessment, ACT/SAT Scores, CASAS Scores, High School Equivalency Exams, High School Transcripts, Smarter Balanced Assessment and Directed Self-Placement assessment. The Testing Center also offers the Pearson Vue high school equivalency exam as well as the allowed Pearson Vue test inventory.

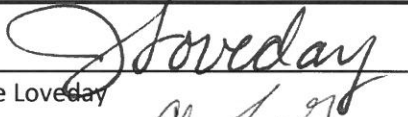

Students requesting accommodations to take the ACCUPLACER are referred to the Disability and Veterans Services Office.

Students requesting CASAS testing are referred to Transitional Studies.

Fees

There is a non-refundable fee to take the Accuplacer assessment if the student is not admitted to Clover Park Technical College. Testers are required to present picture identification in order to receive their test results.

The fee for the high school equivalency test is paid directly to Pearson Vue.
