POLICY

In order to help prevent the transmission and spread of COVID-19 on campus and in the community, CPTC has developed the COVID-19 Exposure Control, Mitigation, and Recovery Plan. This Plan lays out the guidelines developed by the State of Washington to enable CPTC to operate its programs in a manner that is safe for all faculty, staff, and students on campus. The Plan and its requirements apply to all students, faculty, staff, and community members who use CPTC facilities during the COVID-19 pandemic.
